The Bill Maschke Scholar-Athlete & Burt German Memorial Service Awards

The SJISA is pleased to present this award in the memory of Bill Maschke, an outstanding scholar, swimmer and coach here in South Jersey. A \$500 scholarship will be awarded to a maximum of four males and four females from the senior class that are chosen by a special committee from a pool of qualified applicants whose coaches have submitted transcripts, meet sheets and other supporting documents. To be considered, an applicant must have carried a minimum cumulative 3.7 GPA (on a weighted 4.0 scale) through seven semesters of work and have participated in 80% of the team's meets during the season. The committee evaluates the criteria based on a point system approved by the general membership and the award's winners are selected out of the pool of qualifying finalists by the committee. A maximum of four runner-ups for each gender will each receive a \$100 award.

The Angela Hallerud Newcomer of the Year Award

This award will be presented annually to memorialize the life of Lenape swimmer Angela Hallerud by honoring any team member in their first year of high school swimming (regardless of grade) that positively-influenced the culture of his/her team by fostering team unity and the collective achievements of his/her teammates. The winner each year will receive a plaque and a money gift from the Hallerud family.

Giancarlo Mateo Absegami High School

Gian is a junior here at Absegami and it is his first time swimming. He joined this new sport due to the team's inclusivity and reputation for good sportsmanship, along with having a few swimmers that keep us competitive with tough teams as well. Our team at times has a difficult time getting swimmers to take on that challenge since we practice at 5:00 am and the sport as you know has its own physical challenges that are tough for any athlete. However, Gian's challenges were different, his biggest challenge is that Gian is hearing impaired.

Upon joining the team, we secured our A.S.L. interpreter for our meets and after school activities, but there was no way she could make our morning practices. Gian can hear slightly with cochlear implants, but being in a pool, he would not get any help from them at practices. Therefore, the school administration and others were worried about how Gian would learn this new and always challenging sport. Everyone was worried except Gian that is.

We first needed a plan. Luckily, a slew of team managers, volunteer coaches, parents, and fellow swimmers would write coaching instructions on mini whiteboards throughout practices to advise Gian. Two teammates of his have taken some A.S.L. in school and at home and brushed up on their A.S.L. to help, as well as sharing the signs with coaches and teammates. After a while, advising Gian along with the team became normal and easy. Gian struggled for weeks, but by January he began to cut time, do several events in meets, and was passing fellow swimmers in practices. At no place was it clearer that Gian was not only part of the team, but also establishing an improving culture of inclusivity on it than at our meets.

Absegami had some incredible meets this year. Two ties, two single digit losses, two wins by 2 points, and a lot of close ribbon winnings races in invitationals. It seemed like every meet was greeted with excitement and some really loud pool decks. One of the loudest people on the deck often standing next to me was the boy who could not hear it. Gian was the first to congratulate a kid on a great swim, acknowledge someone cutting time, and being proud of his own improvements meet by meet. By season's end nothing made our culture feel more joyous than seeing hundreds of fans on the pool deck wiggling their fingers in the air high and proud for Gian finishing relays and then greeted with high fives by teammates. This wonderful vision continued to fill swimmers, coaches, parents, and opponents with the joy that only swimming can give you at an athletic event. This young man, through his bravery, kindness, and hard work, brought smiles and happiness to an unspeakable amount of people across South Jersey this season, and probably has little knowledge of his impact. It is my hope that this award can give him some semblance of the difference he has made for so many.

The History of the All-South Jersey Teams

In 1978, the South Jersey Swimming Officials selected and honored the first All-Star team. From 1978 to 1980, only one team of honorees was named and honored by the Courier-Post. From 1981 to 1986, the paper listed both an All-Star team and a group of honorable mention swimmers. In those early days, the main criteria for choosing the team was the results from the NJSIAA's "Meet of Champions", now called the Individual State Championships.

In 1987, the paper published a first, second and third team of honorees for the first time. The main criteria remained performance at the NJSIAA meet but as the SJISA Invitational and the various conference and league championships evolved, times from those meets began to also be considered for the teams' selections.

As the number of meets increased, the SJISA voted in 1991 to select its teams solely on the basis of all electronically-timed results achieved at any championship or playoff meets. Today, the organization is proud to note that the fifty-six athletes whose performances have placed them on these pages represent every swimming league in South Jersey, making them teams truly worthy of the title "All-South Jersey".

The Ray Hegel Award

This award may be presented annually by the South Jersey Swimming Officials Association in memory of Ray Hegel, another one of the greatest officials to ever work in South Jersey. Since Ray officiated at every level as his children progressed from Tri-County through to the US National Team, the award was instituted to honor the area's outstanding swimmers or divers from any level of competition.

This award is not being presented this year.

The Candy Fenton Manager of the Year Award

Liz Giamboy Our Lady of Mercy Academy

Liz is in her 4th year of being our OLMA team manager. I was lucky enough to have had been coaching for two of those 4 years with her. She is second to none when he comes to being our team manager. From the regular duties of scoring the meet at the table, she handles our pre and post season duties our our team equipment. Cleaning and making sure everything is ready for our girls to practice. She helps with our team functions and always makes the effort to make sure each individual girl is taking cared of or made sure to have been excited for their race. She without a doubt, will be missed on the deck next season and her compassion and willingness each and every person on our team will be hard to replace.

The William J. Lyons Team Sportsmanship Award

Each year, the officials of the William J. Lyons Chapter of the New Jersey Swimming Officials Association may choose to honor the team that in their opinion best exemplified the true spirit of sportsmanship. This was the underlying theme in the coaching and officiating of one of the truly great officials ever to walk the pool deck, Mr. Bill Lyons. This honor is the testimonial to his teaching and way of life.

The following conferences, leagues and divisions in South Jersey nominate a team(s) to be considered for the award at the end of each season:

Cape Atlantic League American Boys	Cape Atlantic League National Boys	Cape Atlantic League United Coed
Cape Atlantic League American Girls	Cape Atlantic League National Girls	SJISL Pacific & Ocean Division Boys
SJISL Arctic & Bering Sea Division Coed	SJISL Mediterranean & Caribbean Division Girls	SJISL Baltic Division Girls

The Jim Roach Diving Awards

The Jim Roach Diving Awards honor the outstanding female and male divers from the past season. The award is presented jointly by the SJISA and SJSOA.

Peyton Sherrill

Clearview Regional High School

To see a student athlete shine in her sport is one thing. But to see her teammates and competitors feel empowered to perform their best is another. Peyton leads by exceptional example. She has not only set another record breaking year on the diving board, but took the lead in guiding her teammates. Her underclassmen look up to her, her competitors are amazed by her, and I am lucky to have coached her. Her skill and hours of dedicated practice time are hard to over look. But the way she carries herself, the light she brings to practice everyday, the contagious smile and laugh that keeps the vibes high are all apart that makes her an outstanding young athlete. Regardless if she continues to compete on the diving board, she will continue to lead by example, continue to push boundaries, and will continue to have the biggest smile in the room. I am proud. Your parents are proud. Your teammates are proud. Continue to do what you do!

Coach Bowser

Jake Rosenberger

Clearview Regional High School

Jake is the athlete that every coach wishes they were like in high school. He performs at such a high level with incredible consistency and strength, it's amazing to see in high school competition. But what continues to impress me is his attitude towards the sport. Every day at practice he pushes his limit while keeping his care free attitude. Always smiling and joking around, but never hesitating when he needs to put his best foot forward. A born to be entertainer he is always one to watch in action. Whether it's performing a difficult dive or seeing how many flips he can do before he hits the water, never fails to amaze me and the people around him. He's a leader in his own respect. Continuing to push the sport of diving forward, continuing to push himself within the sport, and continuing to show his teammates what's possible. Keep having fun and good things will come!

The Swimmers of the Year

Audrey Derivaux

Haddonfield Memorial High School

Audrey started her swimming career at Haddonfield Memorial High School in historic fashion. Audrey as a freshman won two individual state titles in the 200 IM and the 500 freestyle. Her times of 1:55.73 in the 200 IM and 4:44.10 in the 500 free both were Haddonfield records, NISCA All-American cuts and MOC records. Audrey's 200 IM time didn't just break the MOC record by 2 full seconds but also broke Alex Walsh's 13 - 14 girls national age group record.

Audrey didn't just have success at MOC's but consistently throughout the season. Audrey was the single biggest factor in Haddonfield winning its 5th consecutive Group C state title. During our playoff run Audrey went 52.52 in her 100 butterfly, setting another Haddonfield record and getting her 3rd NISCA All-American cut. At our state title meet, when Haddonfield was down 6 points, Audrey anchored the 200 free relay jumping in about a second behind and split 22.34 to secure the win for Haddonfield in that event. Audrey then immediately swam the 100 backstroke, winning that event, and her time (55.27) was another NISCA All-American consideration. To close out the meet, Audrey anchored the 400 Free relay jumping in over a second and half behind and split 49.27 to win that event and the meet for Haddonfield.

Lastly, the best part about Audrey is that she is equally as impressive out of the water. Her mindset of "getting it done at all costs" is something to be marveled at. She is selfless in how she is willing to swim whatever, whenever if it means that it will help our team. Audrey isn't just focused on her own swims but is behind the blocks cheering for her teammates. She helps with cheers and even as a freshman has already become a true leader of our team.

What is awesome is that this is just Audrey's first chapter of being a high school swimmer. We as a staff are very proud of her work ethic, and cannot wait to watch her grow. Our Girls Swimmer of the Year of the year is Audrey Derivaux. Coach Wister

Raekwon Noel-DeRyck

Highland Regional High School

Raekwon Noel DeRyck is the greatest swimmer to pass through Highland in over 30 years. He joined the Highland swim team as a Sophomore and in three years of varsity swimming, he broke all but one of the long-standing school records. He now holds 7 of 8 individual records and is on 2 of 3 relay team records. His undefeated regular season performances helped the team earn consecutive Division Championship Titles in the Tri-County Conference. Raekwon earned 1st Team All Conference each year in three different individual events; 100 Backstroke, 100 Butterfly, and the 200 Freestyle.

In the SJISA Invitational, Raekwon set a meet record in the 100 Butterfly and was named 1st Team All South Jersey in the 100 Backstroke. He competed at the NJ State Meet of Champions all three years and was in the top 8 finals for two events his junior and senior year. Both years, he qualified for All-American Consideration.

Raekwon also swims for the Guyanese Swimming Federation and the Dorado Speed Swim Club with whom he competes on the international stage. He most recently traveled to Doha, Qatar to compete in the World Aquatics Championship and has aspirations to compete in the 2024 Olympics in Paris.

Raekwon has never been the kind of swimmer to seek the spotlight, always willing to swim whatever events the team needed, and quietly pushing himself every day to make the Tartans proud. Without being asked, he has shouldered the responsibility of leading our team, no small task when you are simultaneously training and competing both locally and internationally. He supports his teammates with pre-meet pep talks and cheers and advice throughout the meet. Raekwon has gracefully shared his success at all his local and international levels with us at Highland, and because of Raekwon the sport of swimming has attracted the enthusiasm and support of students and faculty alike throughout Highland.

Raekwon will certainly be missed by the entire Highland and SJ Swimming community. We are all so proud of him and honored to have been a part of his swim story. We look forward to the rest of his story as Raekwon moves on to swim at the collegiate level for Indiana University. Coach Graton
