

Dear Friend of South Jersey Swimming:

The SJISA sponsors a South Jersey High School Swimming Hall of Fame to be displayed at the McLean Fitness Center Natatorium at the Gloucester County Institute of Technology in Sewell, NJ. Our organization accepts nominations of candidates on a continuing basis. Below you will find a nomination form which you can complete and/or reproduce as necessary. **To be considered for induction at our end-of-season banquet, please submit your candidate's nomination by December 31st of that season.**

The following criteria were established and adopted by the SJISA during the February 2000 meeting:

- All nominees must be nominated by an individual belonging to a member school.
- All nominees must have competed for a public or parochial high school in southern New Jersey and have graduated at least five years prior to the year of their first nomination.
- Selection is based primarily upon a candidate's performances while a high school athlete or in the service of South Jersey swimming
- Preferential treatment will be given to candidates from before 1980 during the first five (5) years of the selections process.
- The final selections from each year will be made by a selection committee.

Please adhere to the following guidelines and suggestions in submitting a candidate:

- Submit nominations from your own school first before you consider a candidate from another district. Any school may nominate any individual but dual submissions could cause administrative difficulties.
- Try to submit no more than two female candidates and two male candidates. All nominations will remain on file for a period of at least five years.
- Gather as much information as you can about your nominee. Submit any documentation you deem necessary but don't feel obligated to generate a "media packet" on behalf of your nominee.

We appreciate your assistance in this matter and look forward to honoring the luminaries and dignitaries of our sport.

Sincerely,

Joe Pegues

SJISA HOF Committee Chairperson
