Mars Exploration Missions

Date _____ Pd. _____

Using <http://mars.jpl.nasa.gov/> or **any other Googled relevant science site**

in a well-written *paragraph for each mission*, detail the following about the ESA's Mars Express, the MRO and the MSL:

- 1) A significant contribution it recently (from 2007 on) made to our knowledge of Mars AND its current status and
- 2) An exploration goal it is intended to achieve in the future (if it's still ongoing).

Mars Express:

MRO:

MSL:
