## What Killed Gwen Stacy and How Can we Save Spider Man's Next Girlfriend?

**Learning Objective**: SWBAT understand what killed Gwen Stacy and design a new web to save Spider Man's next girlfriend. Gwen Stacy's Death: <u>Video</u>

**Modeling:** Take 10-15 minutes and meet with your group of two or three to create a model that explains what killed Gwen Stacy and how could you design a new web to save her Spider Man's next girlfriend. Your model should show what happened and give an explanation of how or why it happened. Make sure your ideas are supported with observable evidence or ideas about what you already know or have seen in or out of the classroom. If you are having trouble with wording use the following sentence starters. Make sure your group assigns a role to each member. Linked are different group roles. Each group should also fill out who played what role in the following document, which will go on the back of your model.
